

John 5:1-9

Superstitions, Unbelief, and the Pity and Power of Jesus!

INTRO: Have you ever secretly believed in some silly superstition? (Bad Luck comes in threes; black cats crossing your path; _____)

If you want to try and start up an evangelistic conversation ask someone, “What superstitions they believe in and why?” Then ask them, “Hey have you ever personally experienced *the pity and power of Christ?*” and walk them through John 5. Please let me know how it goes.
