Genesis 9: 12-17

12 And God said, "This is a sign
of the covenant I am making
between me and you and every living
creature with you, a covenant for all
generations to come:

13 I have set my rainbow in the
clouds, and it will be the sign of the
Covenant between me and the earth.

14 Whenever I bring clouds over the
earth and the rainbow
appears in the clouds,

15 I will remember my
covenant between me and you and
all living creatures of every kind.
Never again will the waters
become a flood to destroy all life.

16 Whenever the rainbow appears
in the clouds, I will see it and
remember the everlasting
covenant between God and all
living creatures of every kind
on the earth."

17 So God said to Noah, "This is
the sign of the covenant I have
established between me
and all life on the earth."
New International Version

Rainbows are visible when it is raining on one side of the sky and sunny on the other. A rainbow is a band of colors. Colors appear in an arc form, which is made by reflection and refraction (sunlight rays passing inside rain drops.)
You cannot touch a rainbow.
Primary rainbow colors:

red, orange, yellow,
blue, green,
indigo, & violet
