APPLICATION: Does this portion of scripture give you a clearer vision of the differences of the old and new covenants? Meditate on this passage and let it move you to worship and be filled with gratitude of what you have in Christ?

CONCLUSION: For every man the choice is the same. Whether we are Jew or Gentile, to try to approach God by our works is to come to Sinai and to discover that our works fall short and cannot save us. Whether we are Jew or Gentile, to trust in the atoning blood of Jesus Christ is to come to Zion, where our heavenly High Priest will mediate for us and bring us to the Father, and where we find reconciliation, peace, and eternal life. And if you have truly come to Zion and received all its blessings, it is inconceivable that you would want to hold on to Sinai in any way.
